

SHIPBOARD INFORMATION

MEDICAL SERVICES

The Medical Centre will be open from 8.00am-10.00am and 4.30pm-6.30pm today. In an emergency only dial '999'.

SECURITY

Please be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your cruise card when leaving or boarding the ship. We ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may be asked by our Security Staff to open any parcels or handbags that you may be carrying.

POSTAGE

Stamps for each port of call are sold for sterling cash only and are available at the Reception Desk during opening hours. Postcards are 51p to the UK and Europe. Incoming mail will be delivered to cabins. Outgoing mail bearing local postage may be posted up to 5.30pm.

RESPONSIBLE SERVING OF ALCOHOL

It is our policy to refuse to serve alcohol to any passenger who we believe to be intoxicated. When the ship is at sea or in port we still abide by the UK legislation on smoking and alcohol age limits. Cigarettes, other tobacco goods and alcohol will not be sold to under 18's. Beer, cider or wine may be bought for 16 and 17 year olds to drink with their meal in the restaurants when accompanied by an adult, but they cannot drink alcohol in any of the bars. With this exception, we do not allow under 18's to be in possession of alcohol and we do not allow adults to buy alcohol for anyone under 18 in any of the bars on board. We may therefore ask some passengers to verify their age with formal identification.

SHORE EXCURSION INFORMATION

If you have booked an afternoon shore excursion in Malaga, you will need to collect your excursion sticker at the time and location indicated in the 'horizon' paper. The excursion sticker will identify your group number. You will need to place this on your person where it is clearly visible. You should then take a seat in the public lounges until your excursion is announced. These announcements will not be heard in your cabin or on the open decks.

Please do not make your way down to the quayside until your group is called. Not waiting until this time will slow down the disembarkation process and may result in the delay of your excursion.

MALAGA SHUTTLE SERVICE

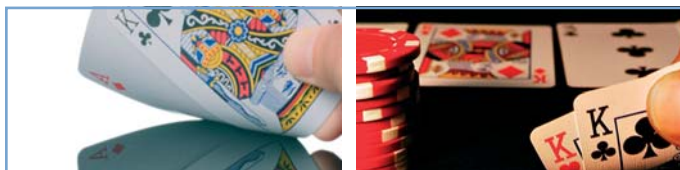

There will be a limited complimentary shuttle bus service in operation to the port gate. The service will commence shortly after arrival. The last shuttle bus will depart from the port gate at 5.15pm. The journey time is approximately 8 minutes. We have been able to secure one wheelchair accessible bus for the duration of our call.

WELCOME TO MALAGA

ARRIVE: 12.30PM

BACK ON BOARD: 5.30PM

A gateway to so many Andalucian attractions and Costa del Sol resorts, Spanish cruise port Malaga stands out in its own right as a vibrant destination with its own unique character. This second city of Andalucia has many Moorish influences, seen at their best in the stunning Alcazaba. Built on the site of a Roman fortress between the 8th and 11th Centuries, the castle's huge walls and fortified gates ensure a grand entrance. Inside, a restored Roman amphitheatre now acts as an outdoor entertainment centre. Immediately behind the Alcazaba and rising high above the city with spectacular views, are the ruins of the 14th century Moorish castle, Gibralfaro.

Malaga-born Picasso is recognised with a history of the artist's life at the city's fascinating Picasso Foundation.

If you are in port for the entire day then a trip to the magnificent Moorish Alhambra Palace and its gardens in nearby Granada is one of the most memorable of the many Mediterranean sights your cruise will bring you.
