H1N1 FLU UPDATE

We ask for your assistance in following the advice of medical experts who tell us that some of the best ways to help prevent flu and other illnesses is to:

- Wash your hands thoroughly with soap and hot water – often.
- Cover your mouth and nose with a tissue when you cough or sneeze, and then put your used tissue in the waste basket.
- If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.

Should you experience any flu-like symptoms, please contact our Medical Facility by phone from your stateroom, and our Medical staff will visit your stateroom for a complimentary consultation. Like you, we take all health matters seriously. We hope this information is helpful.

SEATTLE'S BEST COFFEE®

How do you take it? Black, two sugars, milk, cream? No matter how you enjoy your coffee, one thing is for sure: the coffee had better be great. That's why we serve only Seattle's Best Coffee® onboard. But they have more than just coffee. Select from a wide variety of coffee drinks, Espresso, café frio, lattes and more.
