## COMMENT CARD DRAWING

### YOU COULD WIN A CHANCE TO SAIL FOR FREE!!!

You could win a chance to sail again for free. Every guest, including children, will receive a Comment Card from your Cabin Steward today. Your comments are used in an effort to constantly upgrade the service we provide and they are very important to Carnival Cruise Lines. Carnival's goal is to **exceed your expectations**; if we have only met your expectations then we have not done our job. The rating category chosen should be based on the over-all performance of the entire department. Please don't let one incident, person, or joke affect your rating for an entire category or department. A separate space is provided for written comments on the back of your card. If someone has made your cruise more enjoyable, please include their name. When you have completed the form, deposit it in any of the Comment Card boxes around the ship.

On behalf of your Cruise Director, Karl & the Imagination team members who make this the friendliest team on the seven seas, we'd like to
