

Café al Bacio

Italy's leading espresso coffee company Lavazza, has been roasting coffees for over 100 years at its plant in the northwest Italian city of Torino.

Lavazza's state-of-the-art roasting facility boasts the world's highest concentration of advanced coffee technology. Special attention is paid to each bean as it is inspected for any imperfections and then roasted in air convection roasters which guarantee that each bean is evenly browned and never scorched.

Lavazza's investments in technology, research and development and its dedication to quality control combined with the long roasting tradition of this family-owned company, have made the Lavazza brand recognizable worldwide as the leader in espresso coffee.

Tea Forte is the innovator of the contemporary tea experience. The cornerstone of this visionary brand is its excellent teas, blended with nature's bounty of luscious fruits, healing herbs and flowers.
