NEXT PORT-OF-CALL
Bar Harbor, Maine

Picturesque, historic, and entertaining, the lively city of Portland incorporates the character and charm of its past with a developing urban community. Situated just outside the city center and along the beautiful rocky coast of Cape Elizabeth is Fort Williams. Once a military outpost for coastal defense, it is now the home of the oldest lighthouse in Maine. First illuminated on January 10, 1791, the Portland Head Light has since stood at the gateway to Portland Harbor for mariners traveling Maine's perilous coast.

EXPLORATIONS! Shore Excursions

Helpful Health Information -- Royal Caribbean International, working in conjunction with the United States Centers for Disease Control and Prevention, has instituted enhanced cleaning procedures onboard all its ships. You will likely see some of these activities during your cruise vacation. Medical experts tell us that the best way to prevent colds, flu, and gastrointestinal illnesses is to simply wash your hands thoroughly with soap and hot water after restroom breaks and again before eating anything. Your cooperation and assistance in this matter is appreciated. Please report any diarrhea or vomiting to the Medical Facility. At the doctors discretion your medical treatment may be complimentary.

Medical experts advise us to refrain from shaking hands to help prevent the spread of colds and flu-type viruses.

H1N1 FLU UPDATE

We ask for your assistance in following the advice of medical experts who tell us that some of the best ways to help prevent flu and other illnesses is to:

- 1) Wash your hands thoroughly with soap and hot water -- often.
- 2) Cover your mouth and nose with a tissue when you cough or sneeze, and then put your used tissue in the waste basket.
- 3) If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.

Should you experience any flu-like symptoms, please contact our Medical Facility by phone from your stateroom, and our Medical staff will visit your stateroom for a complementary consultation. Like you, we take all health matters seriously. We hope this information is helpful.

SEATTLE'S BEST COFFEE®

How do you take it? Black? Two sugars? Milk? Cream? No matter how you enjoy your coffee, one thing is for sure: the coffee had better be great. BROADCAST TELEVISION

Royal Caribbean International is proud to offer the following licensed satellite programming available in international waters: CNN International, CNN Espanol, ESPN International, TNT, TCM, Cartoon Network, Boomerang and Bloomberg TV. Domestic broadcast feeds can only be legally broadcast within 12 miles of the United States coastline. Brief moments of satellite signal loss can be expected at anytime - an inevitable consequence on a moving ship. In addition, some major sporting events may not be available due to blackout and broadcast rights restrictions. We hope you enjoy the widest variety of stateroom television entertainment available at sea!
