If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands. Should you experience any flu-like symptom or fever, please contact our Medical Facility by phone from your stateroom and our Medical staff will visit you in your stateroom for a consultation. - Please be reminded that your SeaPass card is required at the Gangway as you depart the ship.

- Announcements regarding departure formalities will only be heard in the assigned waiting areas.
- When you hear the announcement in your designated lounge concerning your colored tag, you will be escorted by a Staff member to the gangway. Your luggage will not be available in the terminal until your colored tag has been called.

### **STEP 3 Off the Ship/On the Pier**

#### **Mandatory United States Customs and Border Protection and Department of Agriculture Inspection**

All guests must complete a United States Customs form before departure. Only one form is required for all family members with the same last name and address. Please ensure that you have the form completed and signed before leaving the ship. This will ensure a quick departure.

All guests must present themselves personally to a United States Customs and Border Protection Officer for an immigration inspection. This includes United States Citizens and Residents. This inspection will take place in the terminal after leaving the ship.

- United States Citizens/Residents and Canadians must show their passport or proof of citizenship (e.g. citizenship card or birth certificate and photo identification, or A.R.C. card).
- Non-United States Citizens must show their passport and a completed immigration form (Form I-94), if holding a visa.
- Please have all of your documents in hand and your passport open to the photo page.

United States Residents who have exceeded their exemption in merchandise, liquor or are carrying monies in excess of \$10,000 must present themselves to a United States Department of Agriculture and Border Protection Officer in the terminal upon departing the vessel. By law it is imperative that you declare these items to the officials.

Your exemption of \$800 allows you Duty-Free status on:

- \$800 in merchandise from any of our ports or purchased onboard.
- 1 carton of 200 cigarettes - must be 18 years or older. Excess United States manufactured cigarettes made for export only will be seized. Foreign-manufactured tobacco products will be subject to duty and internal revenue taxes.
- 100 cigars - must be 18 years or older. No Cuban cigars are permitted into the United States.
- 1 liter of alcohol - must be 21 years or older. Applicable internal revenue taxes and duties will be assessed on any overages.

### **STEP 4 Baggage Claim**

Once inside the terminal, proceed to the baggage claim area designated for your luggage tag color. Royal Caribbean International® staff will be available for assistance and questions. Remember luggage tends to look alike, please be sure to check the personal name tags on your bags prior to claiming.

### **STEP 5**

#### **Transportation/Onshore Connections**

- Air/Sea Guests or Guests with Purchased Transfers to the Airport - collect your bags from the baggage claim area, then proceed to the buses that will be waiting outside to take you and your luggage to the airport.

### **DID YOU KNOW?**

- Please ensure that you check your safety deposit box within your stateroom to ensure that all your personal belongings have been removed. As always, guests should hand carry all valuables, including cash, video cameras, electronic equipment, sporting equipment and breakable items. All lost and found items must be claimed by guests during each cruise and prior to departure.
- Due to enhanced procedures by the United States Customs and Border Protection and Department of Agriculture Inspection, guests departing the ship at the end of their cruise may be subject to possible delays.
- By carrying off large pieces of luggage you slow down the departure process therefore, you are requested to carry off hand size luggage only.
- Please make sure you are in your designated waiting areas prior to your scheduled departure time. Once your colored tag has been called, you will be escorted by a staff member to the gangway. Your luggage will not be available in the terminal until your colored tag has been called.

### **GUEST SATISFACTION SURVEY**

We care what you think. Please complete your Guest Satisfaction Survey placed in your stateroom at turn down service and let us know how you enjoyed your vacation. When finished, be sure to place them in the boxes at the Guest Relations Desk. Please do not leave them in your stateroom as only cards deposited by you in the sealed boxes are reviewed for their comments and suggestions.

### **ALCOHOL DISTRIBUTION POLICY**

All alcohol purchased onboard or collected at the gangway will be distributed on the last night of the cruise to your stateroom.
