Teens can make their own fun!

WELCOME!

Norwegian Cruise Line enthusiastically welcomes families and teens on board our ships, and has designed a special program to make this cruise an enjoyable experience for the entire family. To give parents those needed moments alone and at the same time let them know that their children are not only having fun but are safe, we have put together a highly trained staff, each of whom is certified in CPR and first aid, so your child will be safe and secure at all times.

Every day, teens ages 13 to 17 can participate in activities designed especially for them. We know they're not kids anymore, so we've designed activities that are active, energetic and most important, fun. They and their fellow teens will be able to enjoy a variety of activities prepared by our Teen Counselors.

PROGRAM REQUIREMENTS:

- Parents(s)/guardian(s) must complete the one-time registration form for teens 13 to 17 years of age. Once this form is on file, teens are free to participate as often as they like!
- Teens are grouped together by age at time of sailing. Sorry, no exceptions - unless they celebrate a birthday during the cruise, of course!
- Teenagers must sign themselves in and out each time they join the teen group for activities.
- We ask that teens show up no later than 15 minutes after the start of their chosen activity. If that activity has been canceled, they are welcome to meet at the next activity.
- Teens with any symptoms of illness may be required to be evaluated at the medical center before being admitted to the Teen Program.
- Activities are flexible and subject to change based on participants.
- Teens are responsible for any personal items brought to activities and events.
- Teens are not permitted to smoke, consume alcohol or use profanity when attending activities and events.
- Parent(s) or guardian(s) will be financially responsible for any damage to property of Norwegian Cruise Line caused by their child(ren) on board the vessel. Public areas are under 24-hour surveillance.

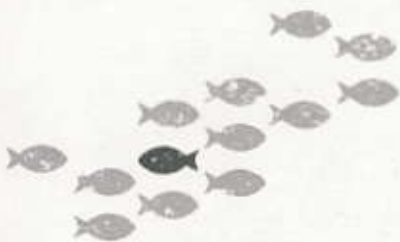

SAFETY:

In the unlikely event of an emergency during program hours, teens will proceed directly to their emergency station. Parents should ensure that their children are familiar with their emergency station number or letter so they will know where to go.

INTERNET:

For your convenience we have 24-hour Internet service available in the Internet Café. Here you can email, chat online with your friends at home, access your AOL account and surf the Net. Basic time charge is .75 per minute. See the Internet Manager for the great plans we have to offer.

Parents: If you do not wish your child to have Internet access, please see the Internet Café Manager to deactivate your child's account.
