MS NOORDAM

AT SEA

EASTERN CARIBBEAN NEW YEAR'S CRUISE
SUNRISE 7:16 AM ♦ SUNSET 5:53PM

Executive Chef Christophe Belin

Christophe Belin was born March 5th, 1968 in Brest, France, where he spent most of his early life. In 1984, he began training at the culinary school in Dinard, France, graduating in 1986. Following that period of training, he worked in several well-known 4 & 5 star hotels in England until 1998, including the Chesterfield, the Mayfair, the London-Belton Woods Hotel & Country Club, the Nottingham-Hilton, Milton Keynes-Alveston Manor, Stratford-Upon-Avon-Five's Restaurant Group, and the Preston, in positions ranging from Commis de Cuisine to Executive Chef.

In 1989, Christophe dedicated a year of his life to military service in the French Air Force.

His work on the seas began in 1998, where he worked as a Sous-Chef and Second Chef, and was eventually promoted to Executive Chef in 2001. He has filmed two TV specials, "Cooking on Deck" for the Food Channel with Tyler Florence.

Christophe now resides in Tacloban City, Leyte, Philippines, with his wife and three children. When he is not at sea, he still finds his way into the kitchen to practice one of his favorite hobbies, cooking (specifically the creation of fusion food, a mixture of Filipino & French cuisine). He also is an avid sea-fisherman and reader.

Christophe is now proud to be working for HAL, and strives to further expand on our long-standing history of culinary excellence in variety, taste and presentation.

TONIGHT'S DRESS: FORMAL

POOL RULES

Please be advised: Children are not permitted to use the Hot tubs or the Aft Pool at any time.

FROM THE NAVIGATOR

After departing San Juan, we set a course of 344° which will take us to New York. Most of today will be spent sailing in the Bermuda Triangle. The incident that consolidated the reputation of the Bermuda Triangle was the disappearance of Flight 19, a training squadron of five U.S. Navy torpedo bombers, in December of 1945. In more recent history, no such occurrences have taken place.

CAPTAIN'S CORNER

Join Captain John Scott and your Cruise Director Drew in the Queen's Lounge, 2, at 2:00pm this afternoon for an informal Q & A session. Bring along any questions you might have, whether technical, nautical or personal, and our Captain will answer them all. *Also take a moment to check out "Cruise Q's", a very informative book written by Cpt. Scott's wife, Susan, that gives the inside scoop on cruise living.*

SHIPBUILDING SEA TRIALS

Today, at 1:00pm on Lido Deck, 9 aft, join *the Cruise Activities Staff* for a "parade" of floats, that hopefully will really float! Our guests have been creatively constructing their "Miniature Mayflowers" for our shipbuilding sea trials. We'll see you there to help us choose the most seaworthy vessel!

EXPLORATION SPEAKER SERIES

Today's Lecture Topic: *"Luck Be A Lady Tonight"- Theatrical Entertainment in Las Vegas.* In this city built on chance, your odds of finding thrilling entertainment are much better than the probability you will beat the house at gambling. From classic showgirl revues like Jubilee! and the Folies Bergere, to magicians (Penn & Teller and David Copperfield), to headliners (everyone from Wayne Newton to Celine Dion), to comedians and lounge singers, to imported Broadway musicals, Las Vegas is truly the entertainment capital of the world. With five productions currently playing along the Strip, Cirque du Soleil has redefined the circus experience even as more traditional Broadway fare (Phantom of the Opera, Forever Plaid, and Mamma Mia!) delight audiences. *Join Dr. Bud Coleman this afternoon at 4:00pm in the Queen's Lounge, 2.*

"GRANDPARENTS APPRECIATION" BINGO

Are you proud of your grandkids? Well now is your chance to let your grandkids help you win some cash! If you bring a picture of one of your grandchildren today, for every card you purchase you will receive a free card for this morning's jackpot game. All you have to do is have fun and play bingo. Loads of cash will be given away. See you in the Vista Lounge, 2 at 11:30pm when cards go on sale.

SUPERSTAR FINALE

The competition concludes! Watch our Superstar finalists each perform their final song to see who will be crowned champion. Join us in the Queen's Lounge, 2, at 9:45pm and help us decide!

50's & 60's PROM NIGHT

The party on board tonight takes place in the Crow's Nest, 10, at 11:15pm. There's great music from the 50's & 60's, dancing, prizes and lots of fun! Come relive the wonder years with your Cruise Activities Staff.

ART BY CPT. STEPHAN CARD:

Captain Stephan Card has been retained by Holland America Line for years. His paintings of HAL's ships in their original historical settings can be found throughout our fleet. Take some time to enjoy the artwork hanging in our forward staircase and see the earlier incarnations of the ms Noordam. All these paintings, accompanied by the history of Holland America Line, have been collected in one book which can be found at the Explorations Café on Promenade Deck, 3.
