

DAY 1 Saturday, February 20, 2010

WELCOME TO THE NATION OF WHY NOT. YOUR ADVENTURE BEGINS NOW.

As a new citizen of our floating nation, you have just embarked on a journey like no other, where all conventions of cruising—as you know it—have been cast away. As you get acquainted with the ship, you'll find that our nation is filled with unexpected surprises. In fact, you may not want to waste a single second more. There are mountains to climb and valleys to golf, all onboard this very ship. But if you'd like to take a breather before you begin your adventure, then read on for helpful tips... preferably with a piña colada and the ocean view.

1. Show Reservations - Need Help Planning Your Cruise Vacation?

The Oasis is open in all areas and we are waiting to help make your first day a great day here onboard. Have you made reservations for shows yet? We can help. Come to our Show Reservations Planning Event from 11:30 am - 3:00 pm, Blaze, Deck 4. If you cannot make it here don't worry you can book all shows through your stateroom television.

2. Adventure Ocean Open House & Registration

It's all fun and games onboard. Especially if you're a kid. Learn all about our award-winning Adventure Ocean program, meet the staff and get a tour of the youth facilities. 1:00 pm - 3:00 pm, Adventure Ocean, Deck 14.

GET INTO THE SWING OF THINGS

- Read on... cover to cover. You'll find everything you need to plan out the day in your Cruise Compass and all about our specials in your Cruise Specials and more.
- Unpack later. The best way to get familiar with the ship is to start exploring. There's lots to see!
- Watch TV. Or maybe just RCTV. That's where you can check on the weather, learn how to play blackjack, book your show tickets, and even get details on shore excursions. Already booked your show reservations pre-cruise? You can check those too.
- Find other people that share your interests. Stop by the Café Promenade on Deck 5 and post your card on the Community Bulletin Board.

GET ENTERTAINED

Look inside for today's show schedule and to find out which shows need reservations.

Be sure to be wearing your best smile when you're in any of our major public areas. There are overhead cameras in those areas and you could be featured on the television, on your royalcaribbean.com or on Royal Caribbean facebook page.

ENVIRONMENTAL TIDBIT

The Save The Waves® program is designed to reduce waste, save energy and leave as little a footprint behind. What can you do to help? Simple things like recycling onboard and re-using your towels can make all the difference.

WHY NOT find your comfort zone...and then dare to step out of it? Here's your chance to try something you've always wanted to do. Like learn to SCUBA dive. Or try out the Rock Climbing Wall!

HELPFUL HEALTH INFORMATION

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's medical facility for a complimentary consultation and treatment if necessary.
