NEW YORK UNITED STATES

New York was founded as a commercial trading post by the Dutch in 1624. The settlement was called New Amsterdam until the colony came under English control. New York served as the capital of the United States from 1785 until 1790 and has been the country's largest city since 1790. Many neighbourhoods and landmarks in the city have become world-famous. The city is sometimes referred to as "The city that never sleeps", while other nicknames include the "Capital of the world", "Gotham", and the "Big Apple".

CAPTAIN JULIAN BURGESS

The Captain, his Officers and Crew welcome all of you who are joining us today. We wish you a pleasant journey and relaxing holiday as QUEEN ELIZABETH departs for Fort Lauderdale, Curacao, Limon, Panama Canal, Acapulco, Cabo San Lucas and Los Angeles.

PUBLIC HEALTH PRECAUTIONS

Please be advised that we will be serving you, our guests, directly within the Lido Buffet dining area following our standard sanitation procedures for the beginning of each voyage. This is a precautionary measure to maintain a clean and healthy ship and has been introduced following guidance from both the UK and US Public Health authorities. Unfortunately this may cause longer queues than usual, for which we apologise, but we thank you for your understanding which is for the benefit of all guests on board. Following advice from our on board medical department we will be reviewing this procedure within the first few days. Thank you.

CUNARD SOFT DRINK PACKAGE

The Cunard soft drinks package, allows you to enjoy unlimited fountain sodas and selected juices for the entire voyage for a one-time payment (in-transit guests will be required to purchase again for the next leg of the voyage). The package can only be bought on the first and second day of the voyage and must be purchased for the full duration of the voyage. To enjoy this facility, take your ship's identity card to any of the cocktail bars on board where the staff will be delighted to assist you. The package entitles the bearer of the card only, to unlimited fountain sodas and selected juices served by the glass in any of the restaurants and cocktail bars. The price per day is \$4.95 per person with a 15% service charge. This package does not extend to bottled waters, in-cabin beverage service or to any other non-alcoholic cocktails / beverages.

SECURITY PRECAUTIONS

In order to prevent unauthorised persons boarding the ship, you are required to carry your 'Ship's Identity Card' with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government issued picture ID with you before leaving the ship, as you may be required to show this at security checkpoints upon your return. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your ship's identity card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding the ship. We kindly ask you not to accept and bring on board any parcels or packages for strangers. Before boarding the ship, you may be asked by our security staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interests of all concerned.

SPECIAL NOTICE

QUEEN ELIZABETH, as with most modern ships, has a vacuum operated toilet system. The pipe work of this system is much smaller than that used ashore. Whilst it is eminently suitable for its designed purpose, sanitary items, paper hand towels and items that are not rapidly biodegradable will cause obstructions. Your cooperation will be greatly appreciated.

ALCOHOL POLICY

Whilst in US waters the drinking age on board QUEEN ELIZABETH is 21 years of age. Guests under 21 years will not be served alcoholic beverages nor are they to consume them. Please be aware that proof of age by means of government issued photographic identification, may be requested. Guests under the age of 18 years are also not permitted in the Yacht Club after 12.00am.
