DAY 1: NEW YORK | SUNDAY, SEPTEMBER 26, 2010

DRESS: SMART CASUAL

ALL ABOARD: 4:00 PM

Captain Peter Harris Welcomes You Aboard

A native of Leicester, England, Peter Harris spent his early childhood on the coast of East Africa, where his father was a harbor master. Sailing to and from East Africa and "messing about in boats" convinced him to continue the seafaring tradition. He started as an apprentice with the P & O Company, working on cargo and passenger vessels before obtaining his second mate's certificate. He went on to earn a Bachelor of Science degree and obtain his Master's License. In 1982, his ship was requisitioned and converted into a hospital ship in the campaign to liberate the Falkland Islands. Toward the end, his ship became a troop transport, and Captain Harris found himself in charge of a Gurkha brigade – not quite what he had envisioned when he first went to sea!

In 1988, with a family on the way, Captain Harris wanted to spend more time at home, so he transferred to the ferries transiting the English Channel. However, he never lost his love of cruising. In 1997 he joined Holland America Line. When not at sea, he joins his wife and three children at home in a village atop the famed White Cliffs of Dover.

Mandatory Lifeboat Drill

Today's Movie: Date Night

Comedy, PG-13, 1hr 26min

8:00pm & 10:00pm Wajang Theater, 7 & Retreat, 11 aft

This action comedy tells the tale of mild-mannered married couple Phil and Claire, who fear their relationship may be falling into a stale rut. During their weekly date night, they impetuously steal a dinner reservation, which leads to a case of mistaken identity. Turns out the reservation was for a pair of thieves, and now a number of unsavory characters want Phil and Claire killed.

Starring: Steve Carell & Tina Fey
