Welcome Aboard the Allure of the Seas

This week will be filled with boatloads of activities, wonderful adventures and unforgettable experiences for both you and your little ones. This weekly planner will help you to learn about all the amazing activities happening throughout your cruise vacation, including how to register for the program, how to book hours in the Nursery, hours of operation, and our policies. The Royal Babies and Tots Nursery staff are excited to meet you and your children. Come and see us up on Deck 14, forward, Kids Avenue, and get ready to play!

How to register and book your child a place in the Royal Babies and Tots Nursery

Using modern technology, we are able to register all children through a computer registration system. In order to register, you will need to bring your SeaPass card as well as your child's SeaPass card. Once we have gathered medical information, child specific likes/dislikes and authorized family members and friends to pick up your child, you may begin to book requested hours in the Nursery. On day one and two, we will offer each family a set number of booking hours. Later in the voyage we will open up all left over hours to be given away on a first come first serve basis. Once a Nursery session has begun, any remaining time slots will be given away at the door. However, we do highly recommend booking in advance to guarantee your child a place (please refer to our cancellation and late pick up policy for further booking information).

Please note: an hourly fee of \$8 per child will apply for this service.
